Figure 1 shows a grid of map symbols and their corresponding labels. The symbols are arranged in two columns. The first column contains: Highway (solid line), Secondary Road (dashed line), Jeep Trail/Walker's/Trail (dotted line), Railroad (line with cross-ticks), and a blue area with cross-ticks labeled 'Military'. The second column contains: Pipe/Power Line (line with cross-ticks), Ridge/Physical Feature (line with cross-ticks), Property/Fence Line (line with cross-ticks), Nonvisible Boundary (line with cross-ticks), and a grey area labeled 'Inset'. To the right of these are three more labels: 'Stream/Shoreline' (blue line), 'Intermittent Stream' (blue line with cross-ticks), and 'River / Lake' (blue area). Below these are two more labels: 'Glacier' (blue area with cross-ticks) and 'Out Area' (grey area).

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

<sup>1</sup> A "\*" following a place name indicates that the place is coterminous with a MCD; A "+" indicates that the place is also a false MCD; the false MCD name is not shown.

<sup>2</sup> A "\*" following a block number indicates that the block number is repeated elsewhere in the block.
